Subject: RE: West Lake Landfill - July groundwater sampling

EPA has requested to split the following wells:

S-82 / I-9 / D-93

D-6

D-83

PZ-102-SS

PZ-113-AD

D-3 / I-4 / S-5

PZ-101-SS

D-85

We will begin splitting with EPA tomorrow (Tuesday), and plan to be finished by Thursday afternoon / Friday morning with the EPA splits.

Also this week we plan on sampling the Bridgeton detection monitoring wells.

Subject: West Lake Landfill - July groundwater sampling

Paul & Ward,

Can you give me a schedule of which wells you will be starting on this week and keep me updated periodically throughout the sampling event? I am flexible on which wells I take split samples, so I will plan my site visits/split sampling according to your schedule.

Thanks,

Shawn Muenks, P.E.
